# *General Information*

## **AIM**

Our aim is to train and send forth men and women who have:

1. Accepted the Lord Jesus Christ.
2. Acquired a thorough knowledge of the Word of God to enable them to lead others to Christ and instruct them to grow spiritually.
3. Become Spirit-filled with a passion to win the lost.
4. Become willing and zealous to serve the Lord in their home church and wherever called by Him.

## **PRACTICAL CHRISTIAN WORK**

In order to become efficient Christian workers, it is necessary that the theory taken in school is applied in practical service. Steinbach and community afford splendid opportunities for service. Sunday School work, Young Peoples' meetings, special services, hospital singing, etc., provide such Christian work. It is expected that the students will avail themselves of some of these.

## **LIBRARY**

The Steinbach Bible Institute recognizes the importance of good library facilities. As a result, the new school is provided with a library room which houses the book stacks and provides a space for student study and research. The growing library of the school is catalogued according to the Dewey Decimal system and the Fuller Theological Seminary expansion of the religious section. The library now numbers over 25500 volumes and new accessions are continually made. Library gifts in the form of money, books, magazine subscriptions or otherwise will be gratefully received.

## **BOOKS**

Textbooks and notes prescribed by the school can be obtained at the school office.

## **DORMITORY**

The Institute dormitory provides facilities for fifty-six students. All single students, except those living at home, are expected to live on campus. If for good reason a student desires to be excepted, a letter with full description of the reason must be written to the Registrar, specifically stating the request.

The students who will live in dormitory should bring bedding, linen, towels, mirror, curtains, bedroom rug.

## GENERAL RULES

1. Regular attendance is expected. Absence must be reported beforehand.
2. Any drives or outings should be reported to the teachers.
3. Any contemplated change in living quarters should first be reported to the teachers .
4. Up to one hour of gratis work per day is required of students. For this you ought to bring a change of good serviceable work clothes.
5. All contacts between the sexes shall be in accordance with the highest principles of Christian living and the regulations of the Institute.
6. We expect of our students to behave and dress inoffensively both in and out of school.
7. The modern trend of fashion, such as transparent, sleeveless, low neckline or tight-fitting dresses, trinkets for the neck, arms or hands, or painting of face or hands are not permitted.
8. Since Christians are called to be free, our students are not under rigid rules. We try to teach that we are to "walk in the Spirit and we will not fulfill the lust of the flesh." We do believe that the life that is brought into right relationship with Christ will be a victorious life. The ones that will not live under grace will discover that there is law. Those who refuse to make right choices are asked to leave.

The Student Handbook, published by the Steinbach Bible Institute, describes in detail the principles and regulations by which student life at the school is ordered. These books will be given to the student on the day of orientation or will be sent to the prospective student and other interested parties upon request. The student will be responsible for a thorough acquaintance with its contents and a conscientious application of these principles and rules.

## *Academic Information*

## DIPLOMAS AND ACADEMIC STANDARDS —

### General Bible

The academic work in the Bible Department of the Institute is divided into two levels. Level one work in Bible is considered high school standard and pre-supposes less than high school graduation. The course in this level leads to the Red Seal Steinbach Bible Institute diploma. Level two of the Bible department has as prerequisite high school completion and constitutes Junior College standard of work. It leads to the Gold Seal diploma.

### Christian Education

Upon completion of this two-year course the student receives the standard diploma of the Evangelical Teacher Training Association of Chicago, of which more than one hundred Bible Schools, Seminaries and Colleges in Canada and the U.S.A. are members.

General Bible course students taking the required subjects receive this diploma as well as the Bible Institute diploma.

### High School

In the high school department junior matriculation leads to the Red Seal high school diploma of the Institute and senior matriculation to the Gold Seal high school diploma. Completion of the junior matriculation course qualifies for university entrance; completion of the senior matriculation course qualifies for normal school entrance and second-year university.

## GRADUATION REQUIREMENTS

The students must have acquired a Grade X standing in English or its equivalent to receive a diploma from either the Steinbach Bible Institute or the Evangelical Teacher Training Association.

The student must have successfully completed 96 semester hours for the diploma of the Bible Institute, and 64 semester hours for the diploma of the E. T. T. A. of Chicago.

## SCHOLARSHIPS AND PAYMENT OF DUES

However, for students of high purpose and dedication who are not able to meet their financial obligations with the school immediately, arrangements for a limited number of loans can be made. The student who will need a loan should make request for it before entering the institute.

## THE FINANCIAL POSITION OF THE SCHOOL

The Steinbach Bible Institute is a faith institution. The fees charged the students do not cover the total cost. Free-will offerings of Christians and Christian churches cover the balance. This has helped to create a wider interest in the Christian training of our young people. May God grant that this interest will continue to grow for the greater glory of our Lord Jesus Christ.

## SHORT COURSE

For Bible School students or others who find it more convenient to spend only a few months in full time study, we are offering a spring short course in subjects of grade X to XII. This course starts the beginning of April and ends in June. Students will write the departmental examinations and receive the regular standing of Manitoba Department of Education. Application for admission to this course is requested before the end of February. Your academic standing will determine the number of subjects for which you are allowed to register.

## EVENING CLASSES

Evening classes in Christian doctrine and other Bible subjects, and Sunday School teacher subjects will be given if there is sufficient request for them. In this way those busy at other work in the daytime have opportunity for some training. Regular credits will be given towards the E. T. T. A. diploma or the Bible Institute diploma.

# *Doctrinal Basis*

**We believe**

## **I**

— the Holy Scripture, both of the Old and the New Testament, to be verbally inspired of God, infallible, and the supreme and final authority in faith and life.

## **II**

— in one God, eternally existing in three persons; Father, Son and Holy Spirit.

## **III**

— that Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true Man.

## **IV**

— that man was created in the image of God, sinned and thereby incurred, not only physical death, but also spiritual death, which is separation from God. Consequently, all human beings are born with a sinful nature and are in need of the new birth.

## **V**

— that the Lord Jesus Christ died on the cross as our representative and substitutionary sacrifice for our sins and that all who believe in Him are justified on the ground of His shed blood.

## **VI**

— the Lord Jesus Christ, was bodily resurrected and ascended into heaven and at present acts for us as High Priest and Advocate.

## **VII**

— that all who by faith receive the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God.

## **VIII**

— in the personal, literal return of the Lord Jesus Christ to judge the living and the dead and to reward every man according to his works.

## **IX**

— in the bodily resurrection of all men — the saints to everlasting joy and bliss, the lost to everlasting conscious torment.

## **X**

— that Christians are to live separated from the world; abstain from all carnal strife, worldly practice, worldly dress and worldly amusements.

## **XI**

— that our generation is responsible for the complete evangelization of this generation; that every believer carries part of this responsibility and should make the reaching of this objective his life's work.

oooooooooooo

For the greater glory of God

For the Greater Glory of God.  
Amen
